Inauguration of India Corner in Ozyegin University

Press Release

An 'India Corner' was inaugurated at the library of Ozyegin University, Istanbul by Ambassador of India to Turkiye Dr. Virander Paul and Rector, Ozyegin University, Prof. Dr. Esra Gencturk on 31 May 2023. This is the first such country-specific corner at Ozyegin University. It proudly displays the collection of acclaimed books on India provided by the Consulate General of India, Istanbul.

Establishment of the India Corner coincides with 75th anniversary of India's independence and 100th year of foundation of the Republic of Turkiye. The corner will serve as an authentic source of information about India. We are confident that the corner will foster closer cultural, academic and people to people cooperation between India and Turkiye. We are also positive that the India Corner will continue to expand in the years to come.
