

**Consulate General of India
Istanbul

PRESS RELEASE

A delegation of 40 Indian companies under the **ACMA** - the Automotive Component Manufacturers Association of India, will be visiting Istanbul to participate in the **Automechanika Istanbul Fair** scheduled from 23rd to 26th May 2024, at Tuyap, Istanbul (*Cumhuriyet Mah Eski Cumhuriyet, Hadımköy Yolu Cd No:9 D:1, 34500 Büyükçekmece, Istanbul*)

2. **ACMA is the apex body representing the auto component manufacturing industry in India** with a membership of over 900 manufacturers who contribute more than eighty five percent of the auto component industry's turnover in the organised sector. **India's auto component industry grew 12.6 percent with a turnover of over US\$ 36 billion in the first half of 2023-24.** ACMA is engaged in exports, imports, supply to OEMs, and the aftermarket, and is an important partner in shaping India's automotive industry.

3. ACMA and the Indian companies will be exhibiting the full spectrum of automotive OE and Aftermarket products and services from the three main industry sectors: Parts & Components, Repair & Maintenance and Accessories in Hall No. 10 of Tuyap Exhibition Center, Istanbul.

4. Automotive components, and the automotive sector in general, constitutes an important part of the India-Turkiye bilateral trade basket. Total trade between the two countries continues to surpass the \$12 billion mark. Business exchanges continue to increase and expand across various sectors, with steady rate of visitors from both sides.
